Woodbrook Vale Open Day and Open Evening

Thursday 20th September

Viking Inspiration Day - Dress up as a Viking.

Monday 8th October - Friday 12th October

Year 6 Residential to Wales

P.E. Kit

It is really important for children to be prepared and organised with the correct equipment and kit.

Children MUST have:

White t-shirt / polo shirt and dark coloured shorts.
A change of footwear.

Later in the year, children can also have a dark coloured tracksuit, hats, gloves and scarves etc.

At this age, it is really important for children to get into the habit of taking their P.E. kit home each week to be washed too (maybe by them!)

The Year 6 Team

Class Cedar

Mr Law, Mrs Glassar & Mr Taylor

Class Redwood

Mobile Phones

At this age, some parents may choose to allow their children to start using a mobile phone. This is a parental choice that we accept, however, keeping children safe in the digital world has become a key priority for us!

If you wish your child to bring a phone to school, we request that you send an accompanying letter to your child's teacher expressing this wish on the first day back.

Children MUST switch their phones off as soon as they enter school grounds. When they arrive in the classroom, these MUST be stored in a box in the class cupboard. Children can then have them back at the end of the day, but they MUST remain switched off until they leave the school premises.

Children SHOULD NOT take any photos whilst at school.

We work very hard over the year, with a number of interesting learning experiences, to help children learn how to be safe online and with technology. We also want to help guide and support parents with this.
