Dear Parents,

As part of our work on Bonfire Night next week we would like the children to experience using a sparkler and see the light created. This will be done as a group with a school adult. If you are happy for your child to take part in the sparkler experience please sign and return the permission slip below by Friday 9th November. We are hoping that this visit will inspire the children to write about fireworks or get creative and make their own. If your child is interested in taking their learning forwards please encourage them to do this in their Home School Link pink books. If you have any questions please come and chat to us.

Thank you
