

Feb 2019

Dear Parents,

I am offering drum lessons on behalf of Outwoods Edge Primary School.

These lessons are a great chance for your child to learn the instrument in a fun, relaxed, but structured way. We will be going through techniques on the instrument, some reading of drum notation, looking at different styles of music and learning songs by their favourite bands/artists.

Before the lessons start, I will send out a new starters' questionnaire to help give me an insight into your child's musical interests and any previous experience they may have.

If you would like to send your child to school with a notebook, I will gladly make notes of what we are working on during the lessons so you can follow their progress.

The lessons will be held during school time and will last 20 minutes per week. The fee for each lesson is £9. This is payable in advance for each half term. I will contact you directly to arrange payment. If your child is absent I would unfortunately not be able to refund or rearrange, but if I cannot make the lesson for any reason, I will arrange for your child to catch up the missed lesson.

The lessons will be held on Wednesday mornings and are due to begin on the 27/02/19.

If you would like to sign your child up for lessons, then please contact me on;
